What is Komatsu CARE Certified?

Komatsu CARE Certified offers *premium* used equipment to the marketplace. These T4 units have been previously maintained under Komatsu CARE Complimentary Maintenance for the first 3 years or 2,000 hours with genuine Komatsu parts and fluids. After all CARE services are completed, machines go through a certification process that involves:

- › thorough evaluation by a trained distributor technician
- › any necessary repairs completed
- › bringing the machine up to our rigorous standards

Komatsu CARE Certified Equipment offers **financing, warranty and extended maintenance** options to increase the benefit of owning these premium quality machines.
